Education

Doctor
of Philosophy Expected May 2027
 Dallas, Texas: [University of Texas Southwestern](#)
 Department of Psychiatry, Clinical Psychology
 APA Accredited Clinical Psychology Ph.D. Program
 APA Accredited Internship in Clinical Psychology
 Dissertation: *Carepartners in Electroconvulsive Therapy*

Masters
of Arts May 2019
 Tel Aviv, Israel: [Tel Aviv University](#), Lester and Sally Entin Faculty of the
 Humanities, Major: Middle Eastern Studies

Bachelor
of Arts April 2017.
 Gainesville, Florida: [University of Florida](#), College of Liberal Arts &
 Sciences, Major: Linguistics, Minor: Arabic Languages

Clinical Experience

Fall 2025
to Present ***Intern***, Consult Liaison (CL) Psychology/Psychiatry Service
 Parkland Health & Hospital System (UT Southwestern APA-Accredited
 Clinical Psychology Internship Program)

Supervisors: [Amor Correa, PhD](#), [Christian Goans, PhD](#), [Kim Roaten, PhD](#)

Role: Conduct diagnostic interviews and brief therapeutic interventions with medically hospitalized patients. Provide evidence-based treatments including crisis intervention, suicide risk assessment, motivational interviewing, and brief therapy for depression, anxiety, grief, trauma, and others. Participate in interdisciplinary rounds and collaborate with medical teams to integrate behavioral health into hospital-based and bedside settings.

Fall 2024 to Present	<i>Student Clinician</i>, Southwest Psychotherapy Clinic University of Texas Southwestern Medical Center Supervisors: <u>Mary Ann Little, PhD, Martin Deschner, PhD</u> Role: Responsibilities include provision of psychotherapy services for individuals presenting to a low-cost, trainee-led clinic.
Fall 2025 to Winter 2024	<i>Student Clinician</i>, Psychiatric Emergency Department, Parkland Health & Hospital System Supervisors: <u>Eneida Miranda, DO, Dennis Le, MD</u> Perform clinical interviews intakes for patients presenting to the emergency department.
Fall 2024 to Summer 2024	<i>Practicum Student</i>, Population Health/Community Oriented Primary Care; Irving Health, Southeast Dallas Health, CV Roman Health Centers Parkland Health & Hospital System Supervisors: <u>Jeethu Joseph, PhD, Jennifer Guerrero, PhD, Natasha Benatti, PsyD</u> Responsibilities include provision of individual psychotherapy services (and diagnostic intake evaluations) to people referred from family medicine (and for trauma-focused therapies). Performed warm handoffs to integrate behavioral health into the primary care setting.
Summer 2022 to Summer 2023	<i>Psychometrist II</i>, Neuropsychology Clinic Psychiatry, University of Texas Southwestern (UTSW) Medical Center Director: <u>Laura Lacritz, PhD</u> Administer and score neuropsychological assessments under the supervision of a neuropsychologist (population: pre-surgical evaluations, neurocognitive dysfunction, mood disorders); score test results and report behavioral observations from assessments.

Research Experience

Summer 2023 to Present	<i>Graduate Student Researcher</i>, Interventional Psychiatry Research Program: Psychiatry, UT Southwestern Medical Center
---------------------------	--

Director: Shawn McClintock, PhD, MSCS

Perform and train staff in clinical interviews and neurocognitive assessments for study participants with treatment-resistant depression and bipolar disorder, including on-unit during Electroconvulsive Therapy.

Projects: Informing Functional and Health Outcomes of Carepartners in Electroconvulsive Therapy, Deciphering Mechanisms of ECT Outcomes and Adverse Effects (R01, NIMH)

Summer 2022
to Summer 2023

Assistant Imaging Scientist, Alleviating Symptoms through Psychiatric Imaging Research & Engineering (ASPIRE) Lab

Psychiatry and Behavioral Health, Stony Brook University (SBU)

PI: Jodi Weinstein, MD

Assist in setting up and carrying out analysis pipelines for MR spectroscopy and neuromelanin-sensitive MRI data. Assist in developing and maintaining IT systems including virtual computing and data storage/organization, and maintenance and development of lab website.

Projects: Towards an Integrated Understanding of Neurotransmitter Dysfunction in Schizophrenia: a Multimodal MRI Study (K23, NIH), Understanding the Role of the Cholinergic System in Schizophrenia - Using [18F]-VAT PET

Summer 2020
to Summer 2022

Research Coordinator, Mood and Cognition in Aging Lab
Psychiatry and Behavioral Health, Stony Brook University

PI: Sara Weisenbach, PhD

Serve as the fMRI specialist for the lab, credentialed to self-administer scans, take participants through task- (E-prime) based procedures and conduct all preprocessing and high-level analyses. Set-up and administer virtual and in-person neuropsychological batteries including physiological data collection with BioPac and AcqKnowledge (using ECG and EDA/GSR). Run Structured Clinical Interviews for DSM-5 among a larger clinical diagnostic assessment

Projects: Emotion Regulation in Depression and the Aging Brain (R01, NIMH), Cognitive, Clinical, and Neural Markers of Late Life Depression (IK2, VA NIH), Using Resting State Functional MRI to Predict Cognitive Decline among World Trade Center Responders (R21, CDC)

Winter 2017

Research Assistant, Neural Control of Movement Lab

- to Summer 2017 Brain Rehabilitation Research Center, US Dept. of Veteran's Affairs -
Gainesville, FL
- PI: Carolynn Patten, PhD, DPT
- Carried out consent visits, administered cognitive tasks, and helped with rTMS administration for a project on motor recovery interventions in neuropathological patients. Administered and scored neuropsychological assessments under the supervision of a neuropsychologist (population: pre-surgical evaluations, neurocognitive dysfunction, mood disorders); score test results and report behavioral observations from assessments.
- Fall 2014
to Spring 2015 **Research Assistant**, NeuroICU Research Lab
Center for Translational Research in Neurodegenerative Diseases -
Gainesville, FL
- PI: Dr. Sylvian Doré, PhD, FAHA
- In charge of sectioning slice preparations (using cryostat) of mouse brains for a pre-clinical hemorrhagic stroke modeling project and developing a new Western Blot protocol.
-

Other Professional Experience

- Summer 2024
to Present **Research Lead**, We Defy Foundation
McKinney, Texas
- Oversee all research related projects for the organization including internal program development and university-led studies which focus on outcomes of Brazilian Jiu Jitsu and fitness training for combat veterans coping with military connected disabilities.
- Fall 2020
to Summer 2023 **Grand Rounds Coordinator**, Psychiatry & Behavioral Health
Stony Brook, New York
- Schedules and coordinates speaker invitations, fields questions and requests for information about Grand Rounds, creates and monitors live talks providing virtual and in-person support, and maintains the electronic infrastructure of the committee's data, planning and analytics.
- Spring 2019
to Spring 2020 **Personal Trainer**, Athletic Coach, Group Fitness Instructor
Midtown Athletic Club - Chicago, Illinois

Program design and implementation of fitness plans and client (and group) education for exercise technique and safety as a National Federation of Professional Trainers - Certified Personal Trainer.

Invited Talks & Engagement

- | | |
|--------------|--|
| June 2025 | Panelist – “The Development of a Consultation-Liaison Psychologist: From Trainee to Building a Service”
Society for Health Psychology, C-L Psychology Special Interest Group |
| October 2025 | Panelist – “From Interest to Impact: How We Got Into C-L Psychology”
Society for Health Psychology, C-L Psychology Special Interest Group |
| April 2025 | Speaker – “Brazilian Jiu-Jitsu for Disabled Combat Vets: A Primer”
Steven A. Cohen Military Family Clinic at Metrocare, Dallas, TX |
| March 2025 | Speaker – “Electroconvulsive Therapy: Clarifying Misperceptions and Informing Realistic Perceptions”; UT Southwestern Clinical Psychology Didactics, Dallas, TX |
| October 2024 | Presenter – De-escalation Training for Behavioral Health
Nursing - Psychiatry, Parkland Hospital, Dallas, TX |
| August 2024 | Presenter – Trauma-Informed Self-Regulation: Using Neurobiology to Manage Stress: Nursing - Psychiatry, Parkland Hospital, Dallas, TX |
| July 2024 | Presenter – Integrating Trauma-Informed Care into Diabetes Management
Healthy Living with Diabetes Conference, Parkland Hospital, Dallas, TX |
| April 2024 | Guest Speaker – The Biopsychosocial model and Mental Health
Future Doctors Program - Psychiatry and Neurology Session, L.G. Pinkton High School, Dallas, TX |

Affiliations

2026 – Present	<i>Committee Member</i> APA Division 56 Education & Training Committee
2025 – Present	<i>Student Representative</i> Consultation-Liaison SIG, Society for Health Psychology (SfHP)
2024 – Present	<i>Trainee Subcommittee Member</i> Society of Biological Psychiatry (SOBP)
2023 – Present	<i>Member</i> Society for Health Psychology (APA Division 38)
2023 – Present	<i>Member</i> American Psychological Association of Graduate Students (APAGS)
2023 – Present	<i>Member</i> Mindfulness Student Association - UT Southwestern Medical Center
2023 – 2024	<i>Member</i> International Neuropsychological Society (INS)

Grants, Awards & Honours

Jan 2026	<i>Grantee</i> – Jerry M. Lewis, M.D., Mental Health Research Foundation Research Project Support, <u>Carepartners in Electroconvulsive Therapy</u>
May 2024	<i>1st Place</i> - UTSW Translational Challenge: T1 – T4 Presentations in Lay Language in 3 minutes, Department of Clinical & Translational Research
April 2019	<i>magna cum laude</i> - Tel Aviv University
May 2017	<i>cum laude</i> - University of Florida

Credentialing & Certifications

Brief Action Planning - BAP Professional Network

Focused ACT for Brief Interventions

Mental Health First Aid - National Council for Mental Wellbeing

CPR Certified – American Heart Association
